I am a member of the following Veterans/Retiree organizations:

Other organizations of which I am a member are:

I have held the following offices in the organizations listed above:

I have performed volunteer service in the following organizations/activities

I am interested in becoming a member of the Fort Carson Retiree Council because:

If selected as a council member I would consider becoming an active member of a committee which might require me to attend committee conferences or perform a minimum of legwork to procure information or services from other sources.

My occupation is such that I can and will attend monthly meetings on a regular basis. I do not anticipate and circumstances that would preclude serving as a member for a normal four year term.

I understand that using my membership on the council for personal, political, or financial gain, failure to attend regular meetings, and failure to participate in council activities is cause for removal from council membership.
